

At the forefront of impact investing

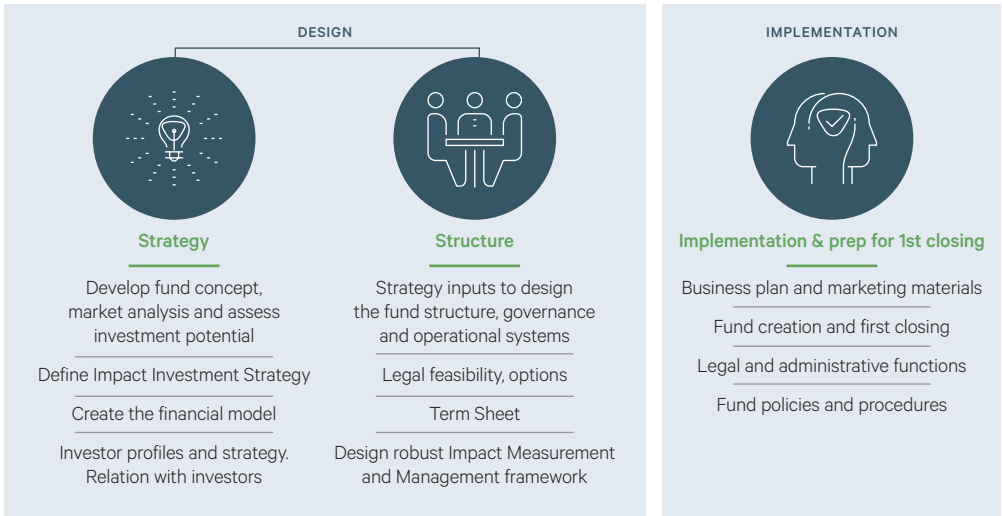

Set-up of Impact Investment Funds

Together with you, we will design and implement the appropriate investment vehicle to deploy your social and environmental impact investment strategy and unlock the potential of your fund.

Innpact is a leading impact finance specialist providing advisory and third-party fund management services. Our team has unrivalled expertise in designing and structuring impact funds and blended finance vehicles. We work with fund managers, sponsors, and investors around the world on impact investing projects totalling more than USD 6 billion targeting the Sustainable Development Goals.

Fund Design & Implementation

Key elements to build an effective impact fund

Strong impact thesis defined in a Theory of Change

Robust and flexible fund structure

Coherent economics (asset and liability)

Impact considerations integrated throughout the investment lifecycle

Impact Finance Funds Specialists

Located in Luxembourg as a centre for sustainable finance, Innpact has built its reputation as a one-stop expert for impact finance. Innpact can draw on more than 100 advisory projects, structuring and implementing over 25 funds including 15 blended finance vehicles and its dedicated client teams providing management services to operate impact funds.

Innpact Fund Management is the only Luxembourg third-party AIFM dedicated to private equity and private debt impact investment funds.
