

## **Call for Expression of Interest: Provision of Depositary, Commercial Banking and Central Administration Services for the up to USD 125 billion Luxembourg-domiciled Tropical Forest Investment Fund**

The Tropical Forest Investment Fund (“TFIF” or the “Fund”) is expected to be established in October 2026 as a Luxembourg-domiciled blended finance RAIF and will support the Tropical Forest Forever Facility (“TFFF”), a global initiative led by sovereign states including Brazil and Norway, and supported by the Luxembourg government, aimed at providing long-term, performance-based financial support to eligible Tropical Forest Countries.

Innpact S.A., acting as Tender Consultant on behalf of the TFIF sponsors, invites Luxembourg-qualified institutions to submit an Expression of Interest for the provision of depositary, commercial banking and central administration services for the TFIF.

The purpose of this call for Expression of Interest is to identify and shortlist Luxembourg institutions that meet the required eligibility, technical, operational and professional criteria. Shortlisted institutions will be invited to participate in a subsequent selection process and to submit detailed proposals.

Qualified institutions should demonstrate relevant experience in Luxembourg fund servicing, appropriate regulatory authorisations, robust operational capabilities, and the ability to support complex international fund structures involving institutional and sovereign investors, blended finance features, potential special purpose vehicles (SPVs) and global fixed-income investment activities.

### **Submission process and deadline**

Interested institutions are invited to download the full Call for Expression of Interest document <https://innpact.com/tfif-call-for-expression-of-interest/> or <https://tfff.earth> for the detailed required scope of services, eligibility criteria, submission requirements and selection process.
